Funding for Therapy or Counselling for Patients Sexually Abused by Members

Note to Readers: In the event of any inconsistency between this document and the legislation that affects chiropractic practice, the legislation governs.

For the purposes of a program established under section 85.7 of the Code,

1. The maximum amount of funding that may be provided for a person in respect of a case of sexual abuse is the amount the Ontario Health Insurance Plan would pay for 200 half-hour sessions of individual out-patient psychotherapy with a psychiatrist on the day the person becomes eligible under subsection 85.7 (4) of the Code.
2. The period of time within which funding may be provided for a person in respect of a case of sexual abuse is five years from,
 - the day on which the person first received therapy or counselling for which funding is provided under subsection 85.7 (10) of the Code, or
 - if funding is not provided under subsection 85.7 (10) of the Code, the day on which the person becomes eligible for funding under subsection 85.7 (4) of the Code. [O.Reg. 59/94, s.1]
