Dear Dr.

Re: Registration with the College of Chiropractors of Ontario (“CCO”)

I am pleased to advise that you have been successful in passing CCO’s Legislation and Ethics examination, as well as the Clinical Competency examinations conducted by the Canadian Chiropractic Examining Board (“CCEB”), and are therefore eligible to proceed with registration with CCO.

Should you wish to apply for registration in Ontario, we urge you to do so as soon as possible, as registration requirements and appropriate time lines relating to registration may change. You must complete the enclosed registration form and submit it along with supporting documents if required and the appropriate payment, payable in Canadian funds by certified cheque or money order, to:

**College of Chiropractors of Ontario
130 Bloor St W Suite 902
Toronto, ON M5S 1N5**

Once your application has been processed, you will receive a registration certificate number.

An official Certificate of Registration will be mailed to you at a later date.

If you have any questions about your registration with CCO, please contact Ms Maria Simas, Registration Coordinator at (416) 922-6355, ext. 113.

In closing, congratulations on passing your exams. Sincere best wishes for a rewarding and successful career in chiropractic.

Yours truly,

Ms Jo-Ann P. Willson
Registrar and General Counsel
