DESCRIPTION OF STANDARD

CCO's ability to fulfil its mandate is dependent upon the cooperation and timely communication with all members.

Members are required under the *Regulated Health Professions Act, 1991 (RHPA)*, regulations made under the *Chiropractic Act, 1991* and CCO by-laws to cooperate with CCO and its statutory committees. It is the professional responsibility of a member to cooperate in a timely manner when CCO makes reasonable requests for information, when CCO requires a specific action from a member or CCO requests attendance at a meeting or hearing to address an area of concern.

Such requests for information, cooperation and/or attendance from CCO include, but are not limited to, the following:

- a request for written submissions in response to an inquiry, complaint or report to the Inquiries, Complaints and Reports Committee;
- a request to appear before a panel of the Inquiries, Complaints and Reports Committee for an oral caution or other disposition;
- a request for disclosure regarding participation in initiatives of the Quality Assurance Committee, such as participation in peer and practice assessment, attendance at a record keeping workshop, and participation in continuing education, professional development and self assessment;
- timely communication and cooperation with peer assessors;
- complying with a signed undertaking or other agreement with CCO;

Standard of Practice S-020: Cooperation and Communication with CCO

- responding to allegations regarding improper advertising; and
- requests for information on registration and renewal forms.

It may be considered an act of professional misconduct for a member to refuse to reasonably cooperate with CCO and could lead to a referral to the Discipline Committee.
