

IMPORTANT INFORMATION: Pre-Registration Process for COVID-19 Vaccine

Wellington-Dufferin-Guelph Public Health is inviting members of certain prioritized groups to pre-register for upcoming COVID-19 vaccination appointments. Demand for the COVID-19 vaccine is currently higher than available supply and prioritization is necessary to determine eligibility.

Chiropractors are now eligible to pre-register as a part of healthcare worker prioritization. Chiropractors qualify under the “non acute and rehabilitation and therapy” priority population. (as per [COVID-19: Guidance for Prioritizing Health Care Workers for COVID-19 Vaccination](#)).

WDGPH is asking for your immediate action to share this information with eligible chiropractors in Wellington-Dufferin-Guelph region.

Click here: www.wdgpUBLICHEALTH.ca/register to access our website with information about how to pre-register.

Pre-registration helps us book appointment reservations quickly and easily. When you pre-register, you select your preferred method of communication (email and/or text message). This is how we will contact you to reserve a vaccine appointment.

Note: The registration website is not compatible with the Internet Explorer browser. Please use either Chrome, Safari or Firefox browser.
