

Health Care Worker Vaccination Instructions for Those Working/Residing in HKPR District Health Unit Area (Haliburton County, City of Kawartha Lakes and Northumberland County)

Please review the linked document to confirm you are eligible for vaccination within Phase 1: [COVID-19: Guidance for Prioritizing Health Care Workers for COVID-19 Vaccination \(gov.on.ca\)](#)

- We are prioritizing frontline healthcare workers who provide in person client care.
- **This is for first dose of vaccine only.**

City of Kawartha Lakes

Members can contact Ross Memorial Hospital directly at 705-328-6241 to book an appointment. Please reference receiving this email through the college website from HKPR District Health Unit, leave a message, and **do not share the phone number** beyond your clinic employees. This number is only for health care workers identified in the provincial prioritization document above.

Northumberland County & Haliburton County

Please follow the detailed instructions on our website link below to have your information added to a list that will be shared with the province. You will be provided with a code from the province to enable booking an appointment through the provincial booking system.
