

Dear Community Partner,

After a year of being on the defensive against COVID-19, we are thrilled to help our partners at Public Health move Hastings and Prince Edward Counties into an offensive position so we can defeat this virus.

Our COVID-19 Vaccination Clinic at QHC Belleville General Hospital is open to **ALL Health Care Workers in the Highest, Very High and now also High** priority groups.

Please help us fill our clinic schedule by sharing this info with eligible health care workers who you think deserve a good shot in the arm!

Click on the following image for eligibility and booking details.

**QHC'S COVID-19
VACCINATION
CLINIC AT BGH**

Now open to ALL Health Care Workers in the **Highest, Very High** and **High** priority groups. Click here for the details!
