

Dr. Barbara J. Smith
Candidate for CCO District 4

I am asking for your support and your vote in the upcoming CCO election in District 4. My goal is to move the many facets of our profession forward while maintaining CCO's mandate 'to serve the public of Ontario'.

"Chiropractors who are elected will reflect their commitment to the public's right to safe, effective and ethical Chiropractic care."

I am a 1991 Graduate of CMCC. Like many of you, I started my own practice and was able to grow it into a large chiropractic practice in Midtown Toronto from 1991 to 2019. I have always maintained my memberships in the CCA, OCA and CMCC. We must all stay united to stay strong.

During my career, I have participated on the OCA Publications Committee, served twice as an examiner for CCEB and taught at CMCC in the technique department for 2 years after graduating. I continually upgraded my skills, I have served the public for many years and this has given me the experience and expertise to be a voice at the CCO table.

Why count on me or vote for me? I am practising part time now and that gives me the ability to dedicate the time needed to listen, learn and dedicate myself on your behalf. I will do my best to ensure that the Chiropractic message is heard and understood at CCO meetings. I am committed and focused on how the public and professional interest may affect each other. This is a relationship that must work hand in hand in order to reach the success we all deserve.

What do I stand for? I stand for patient choice healthcare. I will promote confidence and trust in our extraordinary and unique quality of care --- that which we all call CHIROPRACTIC.

Your vote is important! It only takes a few seconds. Please help your profession and thank you for taking the time to consider me as your District 4 candidate. I promise not to let you down.
