

## **Health Care Providers that live and/or work in Waterloo Region,**

Frontline health care workers **at all provincial priority levels** are encouraged to pre-register for a COVID-19 Vaccine Appointment. We are inviting patient-facing workers in these groups to schedule a vaccine appointment through the pre-registration system as vaccine becomes available (following the province's priority sequencing).

**Please click here to pre-register:** [https://www.regionofwaterloo.ca/en/health-and-wellness/covid-19-vaccination-pre-registration.aspx?\\_mid=32389](https://www.regionofwaterloo.ca/en/health-and-wellness/covid-19-vaccination-pre-registration.aspx?_mid=32389)

Note: All hospital staff are being prioritized within their respective hospital settings. Pre-registration is not required.

For more information, please see the Province's Guidelines for Prioritizing Health Care Workers for COVID-19 Vaccination and/or direct questions to the Province:
