

SELF ASSESSMENT PLAN OF ACTION SUMMARY SHEET

INTRODUCTION

Please complete the Self Assessment Plan of Action Summary Sheet based on the information you have discerned from the self-assessment questionnaire. This form will help you guide your CE and professional development. Completed samples are provided in the Self-Assessment Handbook.

This summary sheet is a component of your professional portfolio. Once you have completed the summary sheet, place it in your professional portfolio. It will be reviewed by a peer assessor during the peer and practice assessment to monitor compliance with the self-assessment process.

INSTRUCTIONS

1. Check off the items under the “Areas for Improvement” column you have identified as needing improvement from your completed self-assessment questionnaire. Use the “Learning Objectives” boxes you completed in the self-assessment questionnaire.
2. Transfer the information from the “Learning Objectives” box from the self-assessment questionnaire to the column of the same name in the plan of action summary sheet.
3. For each identified area requiring improvement, indicate the action steps you will take – e.g., the activities in which you will participate or the resources you will use.
4. Set a target date for achieving the learning objective and hold yourself accountable.
