Re: 2025 Registration Renewal

I. Introduction

Registration renewal for 2025 is available online through the CCO member portal. Please complete your registration renewal and payment online so that all information and payment is collected and processed. You may also access, download and print a receipt for your 2024 renewal fees, by clicking “Invoices and Receipts” once logged into the CCO member portal.

Registration renewals must be received by January 6, 2025, or be subject to a late payment fee of \$105 for a General certificate of registration and \$20 for an Inactive or Retired certificate of registration. If a member does not renew by March 1, 2025, the member’s certificate of registration will be suspended and the member must not provide chiropractic services or hold themselves out as a chiropractor. III. Registration Renewal

Once logged into your member profile, please follow the link to “Renew Registration” and carefully read and follow the instructions in every step for renewing your registration. You may log out of the renewal process at any time and your answers will be saved and you can continue where you left off. You can also use the “Previous” and “Next” buttons to go to different pages within the renewal and review and change any answers. Once you have completed your renewal, you may save a PDF copy of your renewal.

Please answer all applicable questions in their entirety. As part of the renewal process, there are questions related to demographic, geographic, educational and practice information. CCO, like every health regulatory college in Ontario, is required by the Ministry of Health (MOH) to collect this information for submission to the Health Professions Database for the purposes of health human resources planning. Your answers to these questions will help the MOH Ministry develop policies and programs that address supply and distribution, education, recruitment and retention of health professionals. Please consult the glossary available by clicking the question mark symbol (?) throughout the renewal process. This information is provided to the MOH in an **anonymous manner with no member identification associated with it.**

If you are changing or resigning your class of certificate of Registration, please indicate this in the “Class of Renewal” page of the online renewal. If you are changing your class of registration from General to Inactive or Retired, please carefully review the implications and requirements of changing classes of registration, as part of the renewal process.

If prompted during the “Professional Misconduct, Incompetence and Incapacity, Self-Reporting and Acknowledgement of Good Character” steps of the online renewal, please add any additional details and/or attach any relevant documents by clicking “Upload File” at the bottom of the page.

Online On-Demand Webinar on Advertising, Websites and Social Media

CCO has released an [online on-demand webinar on Advertising, Websites and Social Media](#). This webinar includes an excerpt from the Regulatory Excellence Workshop (REW) with interactive quizzes and reviews specific sections from the advertising standard of practice, with examples related to each section. Although not mandatory, members who advertise and communicate to the public about chiropractic services are encouraged to review the webinar for guidance. Members may count ½ hour – 1 hour towards their structured CE hours requirement, depending on how long it takes to complete. This webinar may require a computer for viewing and participation. Please note, although some of the content in this webinar is included in the Regulatory Excellence Workshop (REW), this new webinar does not count toward the requirement of completing the REW once every three CE cycles (or six years).

Please see the [Quality Assurance](#) section of CCO's website for further information or contact Mr. Joel Friedman, Deputy Registrar at jfriedman@cco.on.ca or Dr. Katherine Tibor, Director, Professional Practice at ktibor@cco.on.ca if you have any questions.
