PATIENT HEALTH RECORD (REVIEW 5 SAMPLE FILES)

	1	2	3	4	5	Comments
3. Member maintains a patient health record for each patient which includes:						
(1) patient's name						
(2) patient's address						
(3) patient's birth date						
(4) date of each of patient's visits to member						
(5) name of treating chiropractor						
(6) address of treating chiropractor						
(7) names of primary care practitioners and the referring health profession (when applicable)						
(8) history of patient, including:						
(a) patient's chief complaint(s), reasons or goals for care						
(b) supporting data						
(c) relevant past health history						
(d) family and social history when indicated by presenting condition(s)						

Legend: ✓ = yes X = no N/A = does not apply to the file reviewed

	1	2	3	4	5	Comments
4. A record of consent to examination						
5. Reasonable information about every examination performed by member sufficient to inform the diagnosis/differential diagnosis						
6. Reasonable information about every x-ray examination performed by member or from an outside facility						
7. Reasonable information made by member re:						
(1) every clinical finding of all tests conducted						
(2) diagnosis or clinical impression ¹						
(3) assessment						
8. Copy of every written consent to care or a plan of care ² and, if appropriate, orthotics and/or acupuncture that are up-to-date and reflective of the patient's current condition and presentation						
9. Reasonable information about who provided the care and location of where the care was delivered						

¹ If a patient file is missing a diagnosis, it is a deficiency, and both **Communicating a Diagnosis** and **Record Keeping** should be noted as "Deficient" on the Peer Assessor Report Form.

² If a patient file is missing a consent form (either not in the file or not signed by the patient), it is a deficiency, and both **Consent** and **Record Keeping** should be noted as "Deficient" on the Peer Assessor Report Form.

	1	2	3	4	5	Comments
10. Record of therapeutic management/care of patient that includes:						
(1) reasonable information about every order made by member for examinations, including <i>x-ray examinations, other diagnostic imaging, tests, consultations, and treatments</i> , to be performed by any other person						
(a) <i>x-ray examinations</i>						
(b) <i>other diagnostic imaging</i>						
(c) <i>tests</i>						
(d) <i>consultations</i>						
(e) <i>treatments</i>						
(2) every written report received by member which was performed by other health professionals related to:						
(a) <i>examinations</i>						
(b) <i>other diagnostic imaging</i>						
(c) <i>tests</i>						
(d) <i>consultations</i>						
(e) <i>treatments</i>						

Legend: ✓ = yes X = no N/A = does not apply to the file reviewed

	1	2	3	4	5	Comments
11. Reasonable information about all advice given by member to patient in written form (e.g. prognosis, plan of management, expected outcomes of care)						
12. Reasonable information about care or plan of care involving the controlled acts authorized to chiropractors:						
(1) communicating a diagnosis or clinical impression ³ including appropriate language sufficient to describe the type, location, chronicity and other relevant elements of the diagnosis						
(2) moving the joints of the spine including level of spine contacted and specific type of adjustment or treatment delivered						
(3) putting a finger beyond the anal verge for the purpose of manipulating the tailbone						
13. Reasonable information about a procedure that was commenced but not completed, including reasons for non-completion						

³ If a patient file is missing a diagnosis, it is a deficiency, and both *Communicating a Diagnosis* and *Record Keeping* should be noted as “Deficient” on the Peer Assessor Report Form.

Legend: ✓ = yes X = no N/A = does not apply to the file reviewed

	1	2	3	4	5	Comments
14. Reasonable information about every comparative assessment that includes evidence of the performance of three or more analytical assessment tools relevant to the patient's case as well as any revisions/updates to diagnosis, care/plan of care, and informed consent						
15. Every part of a patient health record has a reference identifying the patient						
16. Every entry in a patient health record includes:						
(1) date						
(2) the person who made the entry can be identified						
17. Member maintains <i>every patient health record, every financial record</i> and <i>every x-ray</i> for at least seven years following the patient's visit; or, if the patient is younger than 18 years old at the time of his/her last visit, the day the patient became or would have become 18 years old						
(1) <i>every patient health record</i>						
(2) <i>every financial record</i>						
(3) <i>every x-ray</i>						

Legend: ✓ = yes X = no N/A = does not apply to the file reviewed

FINANCIAL RECORD**18. MEMBER MAINTAINS A FINANCIAL RECORD FOR EACH PATIENT THAT INCLUDES:****Y N**
