Call for New Peer Assessors

Interested in broadening your chiropractic experience? Are you a member registered in the General class of registration, in good standing wishing to serve the public interest at the regulatory level?

CCO is looking for members interested in assisting the College in fulfilling its mandate to govern the profession in the public interest, to apply for the role of Peer Assessor.

CCO's Peer and Practice Assessment (PPA) Program has been successful in proactively ensuring that the public of Ontario receives the best chiropractic care possible from its members.

Developed and first implemented in 2001, under the guidance of Council through the Quality Assurance (QA) Committee, the PPA Program is an opportunity for all members to ensure their compliance with all regulations, standards of practice, policies, and guidelines that govern professional members.

Peer Assessors must meet the minimum qualifications, as outlined in [Policy P-051: Peer Assessors](#). **To maximize our outreach in a fiscally responsible manner, CCO is looking for members from the following geographical districts:**

- **District 2 – Ottawa region,**
- **District 3 – Durham Region,**
- **District 4 – Greater Toronto Area**
- **District 5 – Greater Hamilton Area**

Peer Assessors are front line ambassadors of the QA Committee, visiting members' offices, interacting one-on-one with them, and preparing reports to be submitted to the QA Committee. Training for this role is provided by CCO on an annual basis, at the CCO offices. **Please note that the next scheduled Peer Assessor Workshop is scheduled for Friday, January 31, and Saturday, February 1, 2025**, at the CCO offices in downtown Toronto. **Attendance at this and other training opportunities is mandatory.** It is also likely that successful candidates will begin the early stages of their training in the autumn of 2024. Per diems are provided and all reasonable expenses are covered when fulfilling duties as peer assessors.

If you are interested:

- **Review Policy P-051: Peer Assessors to ensure you meet the minimum requirements.**
- **Provide your current CV and cover letter of interest to Dr. Katherine Tibor, Director of Professional Practice, CCO (contact information provided below) no later than: July 26, 2024 (Those selected for the interview stage will be contacted for virtual interviews in early August).**
- **If you have questions, please contact Dr. Katherine Tibor at 1-877-577-4772, ext. 130.**
