**4.1.50 Council Meeting Evaluation Survey and Results - June 14, 2024**

The results from the June Council meeting’s evaluation survey had been included in the meeting material. It was noted that this had been implemented following the 2023 strategic planning session.

Questions will continue to be improved, e.g., asking, “Is there something in the way Council or a specific Council member excelled”, e.g., healthy discussions, focusing on public interest. Council members were asked to include as much specificity as possible so that appropriate action can be taken.

One item that was raised was to include adding the public interest rationale in Committee reports referencing any recommendations.

The positive comments from Council members were recognized, and it was confirmed that feedback from this Council meeting will be requested separately from the strategic planning that will follow this meeting.

*By-laws, Standards, Policies and Guidelines (current versions included on CCO website)*

**4.1.53 I-012: Reimbursement of Reasonable Expenses and Per Diems**

**4.1.54 Policy P-011: Conflict of Interest for Council, Non-Council Committee Members and Council Appointed Members (“Committee Members”) (current)**

**4.1.55 Policy P-051: Peer Assessors (current)**

**4.1.56 Committee Conflicts Chart – April 17, 2023 (current)**

Dr. Mizel declared a conflict of interest and left the meeting.

The potential for conflicts of interest that could arise between the “remedial arm” of the College and the “discipline arm” were raised. Discussion ensued regarding Council members serving as peer assessors and the possibility of an imbalance of power. Additionally, any Council member could be called on to serve on a discipline panel.

MOTION moved by Dr. Viscomi/seconded by Mr. Southern

That Council approve the following as a real or perceived conflict of interest:

- Concurrently/simultaneously being a peer assessor and serving on Fitness to Practice, ICRC or Discipline Committees;
- Concurrently/simultaneously being a peer assessor and a Council member.

AMENDMENT TO THE MOTION moved by Ms Kariunas/seconded by Dr. Gauthier

That “effective April 2025” be added to the policy

AMENDMENT CARRIED UNANIMOUSLY.

MOTION AS AMENDED moved by Dr. Viscomi/seconded by Mr. Southern

That Council approve the following as a real or perceived conflict of interest, effective 2025:

- Concurrently/simultaneously being a peer assessor and serving on Fitness to Practice, ICRC or Discipline Committees;
- Concurrently/simultaneously being a peer assessor and a Council member.

CARRIED UNANIMOUSLY.

It was confirmed that the amendment applies to both bulleted points.

Dr. Mizel returned to the meeting.

It was noted that the Committee Composition chart will need to be updated to reflect these changes.

Additional recommendations should be anticipated regarding conflicts of interest, e.g., including positions outside of CCO, e.g., being a member of an advocacy body’s committee, as further work is being done to ensure CCO is addressing conflicts of interest as comprehensively as possible to mitigate risk.

The development of a training session on conflicts of interest was raised that would help CCO’s leaders and volunteers better understand processes and be self-aware of conflicts. Council members were asked to send specific examples or scenarios that they would like to be included in training to Dr. Green and Ms Willson.

It was suggested that the training session could be held virtually prior to the next Council meeting and that it could be recorded for future use. Ms Tina Langlois, a lawyer with a master’s degree in education and experience serving as legal counsel to many regulatory bodies, is available and has agreed to provide the training. More information will be provided to Council when available.

Mr. Boyd Neil provided an overview of his communication related to guidelines on the use of social media.

MOTION moved by Dr. Goudreau/seconded by Mr. Southern

That Council approve IG-002: Guidelines for Council Members, Non-Council Committee Members and Council Appointed Members (“Committee Members”) and Peer Assessors (see below for MOTION to refer to the Executive Committee)

The following was noted during discussion on the motion:

- The guidelines could be reframed to be “social media guidelines”.
- The consequences of failing to adhere to the guideline should be included, e.g., breach of code of conduct; it could be included in the code of conduct specifically.
- The need for awareness was raised, e.g., assuming a message is private or untraceable but from which a screen shot could be taken and shared.
- As being raised by the Jordan Peterson v College of Psychologists (and Behaviour Analysts) of Ontario, issues related to “personal” versus “professional” statements and infringements on freedom of rights and freedoms.
- Outside legal counsel might be helpful in addition to communications expertise.
- Council members are covered by errors and omissions liability insurance the RHPA, and Bylaws for acts in good faith.
- A “do’s and don’t’s” or “how to” document could be considered to help with understanding of the nuances of the use of social media and potential impacts on CCO’s reputation.
