

**Hello, I'm Faisal, and I am honored to be running for CCO Council – District 5.**

Born and raised in Winnipeg, I developed a strong commitment to patient-centered healthcare. After completing my chiropractic education, I practiced in Manitoba, gaining experience in **clinical care, regulatory compliance, and interprofessional collaboration**. Seeking further growth, I moved to Ontario, drawn by its strong regulatory framework focused on **competency, transparency, and public safety**.

With experience treating **diverse patient populations**, I recognize the importance of **regulatory oversight in maintaining public confidence**. I am committed to **upholding patient protection, professional accountability, and evidence-informed decision-making**.

### **Experience & Commitment to Public Interest**

- ✓ **Clinic Director – Muscle and Joint Clinic (Mississauga, ON)** – Leading a multidisciplinary team in evidence-based care.
- ✓ **Former Clinical Mentor – CMCC** – Supporting the education and training of future chiropractors.
- ✓ **Currently pursuing an MBA** – Enhancing expertise in healthcare policy, risk management, and regulatory leadership.

### **Priorities as CCO Council Member**

- ◇ **Safeguarding the Public & Enhancing Public Safety** – Upholding **strong regulatory oversight** to ensure **safe, ethical, and patient-centered chiropractic care**. Strengthening **public protection measures** to foster confidence in the profession.
- ◇ **Strengthening Governance & Accountability** – Advocating for **transparent, fair, and competency-based regulation** that prioritizes **public interest, ethical practice, and professional integrity**.
- ◇ **Modernizing Regulation & Improving Accessibility** – Supporting **progressive policies, digital transformation, and streamlined regulatory processes** to enhance **patient access to safe, effective chiropractic care** while maintaining high standards.
- ◇ **Collaboration & Public Awareness** – Working with **healthcare regulators, policymakers, and stakeholders** to improve **patient safety, interprofessional collaboration, and public education on chiropractic care and regulatory standards**.

I am committed to **ensuring public protection, regulatory excellence, and safe, evidence-based chiropractic care**. If elected, I will work diligently to support **CCO's mission of safeguarding the public while fostering trust, transparency, and professional accountability**.

**Vote Dr. Faisal Malik for CCO Council – District 5!**
