

## **Dr. Faisal Malik – Ensuring Public Protection Through Strong, Transparent Regulation**

As a candidate for the **CCO Council – District 5**, I am dedicated to upholding **accountability, public trust, and effective governance** in chiropractic regulation. I aim to contribute to CCO's mandate of protecting the public interest through responsible and evidence-based oversight. Some Key Priorities as a Council Member include:

### **✓ Strengthening Public Confidence & Regulatory Integrity**

- Support **clear and transparent regulatory processes** that prioritize patient safety and professional accountability.
- Promote **evidence-based policies** that ensure high-quality, ethical chiropractic care for the people of Ontario.

### **✓ Enhancing Public Awareness & Education**

- Advocate for **greater public understanding of CCO's role** in ensuring safe and competent chiropractic services.
- Support **accessible and transparent communication strategies** to educate patients about their rights and chiropractic care standards.

### **✓ Ensuring High Standards in Chiropractic Practice**

- Uphold **quality assurance programs** to maintain safe, ethical, and patient-centered chiropractic care.
- Collaborate with stakeholders to **align chiropractic practice with evolving healthcare standards and regulations**.

### **✓ Modernizing Regulatory Processes for Efficiency**

- Implement **digital solutions** to streamline regulatory procedures and improve public access to information.
- Leverage **data-driven decision-making** to enhance CCO's effectiveness in fulfilling its public protection mandate.

### **✓ Policy Development & Implementation**

- Ensure regulatory frameworks align with **best practices in chiropractic care and patient safety**.
- Strengthen interprofessional collaboration to improve **public access to regulated and effective chiropractic services**.

I appreciate your support and look forward to the opportunity to contribute to CCO's mission.

**Vote Dr. Faisal Malik for CCO Council – District 5!**
